

Did You Know?

This year's JUBILEE theme is "Sea You In July". We are excited that the JUBILEE is back in July! Sea and marine life has been incorporated in this year's theme and we will have the traveling aquarium from Ripley's Aquarium (sponsored by Simmons Manufacturing) bringing all kinds of sea creatures to add to the fun! We encourage you to join in and decorate your booths with marine life and everything nautical.

Back By Popular Demand!

The camel rides, petting zoo and baby animals are back! Our cute and cuddly friends have been quite the buzz around the tradeshow circuit and just as many adults rode the camels as the kids! All of the family entertainment in the hall will be on both days of the show.

Interested in a great sponsorship?

The JUBILEE is unique in the fact that we tailor sponsorships to your company and your budget. This gives you more bang for your buck! We can make almost any idea come to fruition. The return on investment on these sponsorships will last for years to come, and make great memories for the attendees!

Petting Zoo & Animal Ride Sponsor(s) – Exclusive or Multiple: This sponsorship can be a single company or shared by multiple companies. There will be a large amount of signage and the animals and zoo staff will be wearing sponsor shirts. The riding animals (camels and ponies) will have the sponsor logo(s) embroidered on the saddle blankets.

Baby Animal Sponsor – \$500 each. Multiple sponsors, however, one exclusive sponsorship can be discussed. Zoo staff will be walking the show floor with cute baby animals. These hand-held animals will wear the sponsor's logo shirts.

Treat Vendor Sponsorship - \$3,000 each. Treat shacks will be placed on the show floor handing out yummys such as ice cream, cotton candy, snow-cones and other delicious delights!

JUBILEE App sponsor – Exclusive or Multiple: For the first time the JUBILEE has the opportunity for its own event app for attendees! The schedule, reminders, floor plan and incentives for attendees to visit your booth are all part of this innovative tool! The times... they are a changin'!

Charging Station - \$5,000: Have a mobile device charging station in your booth wrapped with your company logo! Signage is included to direct attendees and their dying phones to your booth!

In addition to these sponsorships, we are excited to discuss any other creative ideas you have! We can tailor a sponsorship specific to your company and at any budget. Please contact Kim Barclay at the JUBILEE office at kbarclay@executiveoffice.org or 855-987-7469 to discuss your unique sponsorship!
