

The South Atlantic JUBILEE is calling for presenters from the water well, geothermal and environmental drilling industry to be considered for the 2025 JUBILEE Professional Development Sessions. The JUBILEE will be held July 26-28, 2025, at the Sheraton Myrtle Beach Convention Center, Myrtle Beach, SC. Sessions will take place Saturday, 7-26-2025 and Sunday, 7-27-2025.

The course sponsor will have 2 minutes at the beginning or the end of their session to promote their products and services. The educational part of the session must be at LEAST 50 minutes and generic in nature. Meaning, the speaker cannot be promoting a particular brand of product, equipment, or service. The JUBILEE will have monitors in place to ensure this policy is adhered to. All selected courses are sent to the JUBILEE state's CE administration for approval from each state.

The JUBILEE Professional Development Committee will review the submittals and make the final selections. After the courses are selected, staff will send the speaker confirmation and gather marketing materials, such as logos, headshot, etc.

To submit a course for review and consideration by the JUBILEE Professional Development committee, please see the attached form and upon completion, submit to the JUBILEE office no later than **Monday, April 14, 2025**, with:
